Greetings Charles R. Drew High School Parents!

The Parent Resource Center is open and available for you to use from 8:15a.m. until 3:00p.m. Monday through Friday. The Parent Resource Center is full of valuable parenting information, books, monthly event calendars, health brochures, employment information and academic resources to help your child at home.

There are also computers available for your use. Please feel free to access the Infinite Campus Parent Portal. Here you are able to view your child's grades online, view our school website, and conduct employment searches or whatever you may need. Information on upcoming parent workshops and meetings are also posted in the Parent Resource Center.

Charles R. Drew High School is a school of excellence preparing ALL students to successfully compete in a global economy. However, we need your help to make our vision and dreams come true.

Please stop by the Parent Resource Center, located in room 1040 across from the Main Office, and complete and turn in the survey, pick up an application to become a school volunteer and most importantly let us know how we can better assist you.

Should you have questions or need further assistance please do not hesitate to contact me at the phone number or email address listed below.

I look forward to working with you this school year!

Thank You,

Mrs. Skye Washington, Title I Parent Liaison
